NEWPORT DAILY NEWS.

Every-day life would glide along much more pleasantly, if the sentiment embodied in these beautiful lines were more universally adopted.

A KIND WORD.

A little word in kindness spoken,
A motion, or a tear,
Has often healed the heart that's broken,
And made a friend sincere.

A word—a look—has crushed to earth
Full many a budding flower,
Which had a smile but owed its birth,
Would bless life's darkest hour.

Then deem it not an idle thing
A pleasant word to speak;
The face you wear, the thoughts you bring,
A heart may heal, or break.

KILLING A HUSBAND WITH KINDNESS.

Visiting a patient a short time ago, says Dr. Lambert, I perceived a very disagreeable smell, like that of putrid meat, apparently issuing from beneath the bed clothes, at the foot of the bed. I inquired what it was. 'Why,' said the good wife, who was attending on her sick husband, 'it's nothing but a dung-hill fowl he has got on the bottom of his feet, poor man.'

'A dung-hill fowl!' exclaimed I, with amazement.

'Yes, Doctor,' said she; 'I had the fattest fowl in the barn-yard cut open alive, and one half put on one foot, and one half on the other, while it was all alive and kicking. It's a charming thing for a fever, Doctor.'

'A live fowl cut open, and put on a man's feet to cure a fever! Who put this foolish notion into your head?'

'Foolish notion or not, Doctor, I am sure Mr. Towzer is a great deal better of his complaints than he was, poor man; he does not sweat so profusely, and he breathes a great deal shorter and quicker than he did.'

'So much the worse, good woman.'

'So you always tell me Doctor, when I'm doing all I can for the benefit of the sick in the family. So you told me when I was stopping the cold of my first husband—the dear good Mr. Phoebe. Heaven rest his soul, which, in spite of all I could do, turned to an inflammation of the lungs, and he is now in his grave, poor man.'

'But what could put into your head this shocking remedy of the split fowl?'

'Why it's been in my head ever so long, Doctor. My grandfather was cured by it, of a putrid fever, as I've heard my mother say. Father was likewise cured by the same remedy, of a dreadful rebellious fever, but just as he was getting on his feet again, he had a prolapse, which carried him off. Besides these, my cousin Jonathan Jenkins was cured of an inflammation in the bowels in the same way. Then Mrs. Thistlesifter, who, you know is very skillful in roots and herbs, and so forth says there is nothing in the world so good for fever, as the split fowl.'

'A split fowl? I was going to say; and indeed, if all fools were so, who meddle with that which they know nothing about, the world would be better off. Did you give Mr. Towzer the medicine I left him?'

'No, Doctor; Mrs. Thistlesifter came here just after you went away, and I could not do no less than to insult her in so imminent a crisis; and we come to the conclusion between us, that it was best not to give him the medicine you left—but to put the split fowl on his feet, poor man, and dress him well with pepper grass tea, and a little gill-go-over-ground, and smartweed with it.'

'So you didn't give him the medicine I left.'

'No, Doctor; Mrs. Thistlesifter and I thought it such an impotent case, that the split fowl was the principal thing that could be relied on. Besides, to tell the truth, Doctor, we were afraid there was mercury in the medicine, as we noticed a white powder in it.'

'Indeed! and so because you and Mrs. Thistlesifter noticed a white powder in the medicine, you threw it aside, and split open a live fowl!'

'Yes, Doctor, I do think mercury is a dreadful bad thing. It saves peoples lives, to be sure; but then it gets into the bones, as Mrs. Thistlesifter says, and there's no getting it out again as long as you live. Oh! I wouldn't a had Mr. Towzer, poor man, to take it for anything.'

'And so, by following your own and Mrs. Thistlesifter's foolish notions, you have lost your husband.'

'Lost him! did you say, Doctor; lost my Mr. Towzer.'

'Ay; I grieve to inform you that he won't live forty-eight hours!'

'Not forty-eight hours, Doctor! not five forty-eight hours! and I've only been married to him a year.'

'I'm very sorry to say there's no hope for him.'

'And I laid out so much money for my wedding clothes only a year ago. And the dung-hill fowl gone too—the fattest rooster in the barn-yard. Oh miserable me! that I should be a widow again, so soon! Saying this, the good woman wrung her hands, and wept bitterly.'

The next day Mr. Towzer died. Mrs. Towzer, as in duty bound, wept profusely for his death—but finally comforted herself that she had done every thing an affectionate wife could do—having killed the most valuable rooster in the barn yard to save her husband's life.

A lad running through the street as though he was shot out of a cannon, was stopped short by his father—"Here, Billy, stop! Where are you going?" "No where." "What after?" "Nothing." "What's your hurry?"—"Cos, I is."

THE NEW STATES.—Iowa and Wisconsin are now members of the family of the United States. In respect to territory, these two States will contribute largely. Wisconsin contains about 50,000 square miles and Iowa is still larger, having an area of nearly 60,000 square miles. The aggregate area of all the New England States is only 65,000, in round numbers. Both Iowa and Wisconsin together, are but little more than half as large as Texas, the elder sister, which added at least 200,000 square miles to the organized territory of the Union. Florida added about 60,000 more. The aggregate area of the United States is now nearly 1,300,000 square miles. They are rich in natural resources, and to use a Western expression, they are 'bound to take rank, at an early day, among the most populous States of the Union. Iowa is bounded, 250 miles on the Mississippi River, and 170 on the Missouri. The line of Wisconsin runs on Lake Michigan and Green Bay, more than 300 miles; on Lake Superior 100, and on the Mississippi about 200.

The government advertises a great land sale in Florida on the 22d inst., of nearly a million of acres, partly lying between Tampa Bay and the Gulf coast, and on the St. Johns, St. Lucie, and other rivers, said to be the finest land in the world for cotton, sugar, tobacco, corn, &c., and in a fine climate.

THE ODD FELLOWS' OFFERING.—This Annual for 1847, has been published by John G. Treadwell, and is one of the most beautiful books that we have ever seen. It contains eleven engravings, executed in the highest style of the art, and the articles are all from able pens, and evince a choice taste in literature. It is furnished at the low price of two dollars, making it the cheapest Annual that is published. Persons who are not members of the Order, cannot do better than purchase this book for their fair friends. The Agent, A. E. Hovey, P. O. of Howard Lodge, N. Bogle's Hyperion Fluid is becoming immensely and deservedly popular. It is unquestionably superior to any thing of the kind now in use, and those who will admit it, who may test the matter, and Ladies who wish the very best article in the world to give the hair beauty and natural gloss, as well as to give it a satisfactory set, should try the Hyperion Fluid. We mean just what we say, and have no fears of having the matter tested. Bogle is no less skillful and happy in his style of dressing the hair. Bath, Me., April 20, 1844.
Mr. F. Brown, Dear Sir: I am much gratified in having an opportunity to announce to you, that, by the use of three bottles of your Sarsaparilla and Tomato Bitters, I have been, from a stage of general debility and decline, and continual suffering, restored to the enjoyment of good health. For a number of years I have been troubled with the Liver Complaint, so badly at times, as to prevent my attending to business, and Dyspepsia followed, with loss of appetite, weakness and debility, and a sinking and oppressive sensation at the stomach most painful and distressing, which gradually decreased my strength, and led me into a decline, and debilitated me so much as to occasion fears for my recovery; while in this situation I was induced by the persuasion of a friend, to make a trial of your Bitter's, and was most happily disappointed in finding an immediate relief; and before I had taken the contents of the first bottle, I had obtained a comfortable state of health, and before I had used three bottles, I enjoyed better health than for a number of years. This was about two years since, and my health has continued good till the present year. I must say that I have not much confidence in patent medicines, but I am satisfied, from the wonderful effects of your Bitter's in my own case, and of friends whom I have induced to use it, that it is a valuable medicine, and I take much pleasure in recommending it to my friends and acquaintances, and indeed to all who are thus afflicted, as well worthy a trial. I remain yours, Oct 28 2w PELEG SPRAGUE.

Dr. Banning's Patent Body Lase, For Weakness of the Body.

The following letter is submitted to a discerning public, and the proprietor is enabled to refer to many individuals—whose testimony will satisfy the most incredulous. He particular and get Banning's Lase, and be put off with nothing else.

New and More Testimony. WARREN, August 22, 1846.

Dr. Boardman—Dear Sir:—Now being about leaving for home, I am able to give thus far a favorable account of the Lase which I have worn only four days. For more than four years I have suffered greatly from dyspepsia, that scourge of our race. My food has always been so troublesome that my stomach would reject it almost every day—my bowels always constipated—my head always jelling heavy and unpleasant, and my spirits greatly depressed. I was unfitted for any regular business, and till I saw you, I had given up the hope of ever being better. I had consulted many physicians and in Boston, those the most celebrated, and spent nearly all the money I could earn, upon them and medicines. Since I have worn the Lase, all these symptoms have in a great degree vanished, and now, it seems to me, I shall be well again. I find my body regaining its erect position—the spitting up my food is pretty much over, my spirits and energy are returning, and I feel like a new man. Sept. 4 S. W. HILL.

Genuine Bears Oil—Highly Perfumed.—Perhaps our ladies and fashionables are not aware that three quarters of the 'Bear's oil' (so called,) with which they anoint their locks, is nothing in the world but hog's lard, so highly scented as to escape detection, even on close examination. This, however, is simply the fact, and one that ought to be known. The only safe way is to purchase your Bear's Oil of HENRY JOHNSON, who gets it direct from Canada, and the North Western territory, and who never sells in ounce until he knows it to be genuine. The real Bear's oil is a wonderful beautifier and strengthener of the hair, and should be used by every one desirous of beautiful locks. When the pain proceeds from the face or gums around a tooth apparently sound, this application will give speedy relief, by rubbing a few drops to the part affected. Price 25 cent. CLOTHING CLOTHING
 Large enough for the largest man, and small enough for the smallest boy.
 We warrant men a perfect fit.
 That's not the most successful hit?
 For with their matchlessness of cut,
 For more celebrity we've got it.
 Small gain on one alone we reap,
 But here's our motto—"we sell cheap."

At the great
OREGON CLOTHING WARE HOUSE,
 Corner of Thames & Franklin Streets,
 May be seen the largest and most splendid assortment of Ready Made Clothing ever offered in the town of Newport, at prices which cannot fail to suit, and a little superior and cheaper, than at any other similar establishment in the town. These goods cannot be surpassed, if equalled, for neatness, taste elegance, and durability. This well selected stock was bought on the cash system, and can and will be sold cheap. Come now all ye, while the doors are open unto you, and be clothed from the crown of your head to the soles of your feet.
 Among the above named articles may be found

Coats.
 Which dignify the human form—
 As beautiful as they are warm.
Pilot Coats.
 They cost more nothing, and so stout,
 It takes you years to wear them out.
Bever and Broadcloths.
 They seem forever fresh and bright,
 And give the wearer great delight.
Dress Coats.

Cut, pressed, and made in lasty manner—
 They win the envy of the scammer.
Pantalons.
 Fine stitches, tightly drawn, and strong—
 The reason why they last so long.
Vests and Scarfs.

There's nothing cap adorn the breast
 So well as can a handsome Vest,
 But what's a Vest without a Scarf?
 It's like a smile without a laugh;
 It loses half of its expression,
 No man should think of such aggression.

Also may be found Collars, Bosoms, Shirts, Handkerchiefs, Gloves, Suspenders, Hats, Caps, Boots, Shoes, and all other articles generally worn by the Male part of the community. Don't forget the Oregon Clothing Ware House, corner of Thames and Franklin Streets.

COUGHS, COLDS, BRONCHITIS, &c.
 NO better article for the effectual cure of the above, and all complaints of the Breast and Lungs was ever made, than that long known and justly celebrated remedy, called WINTER'S PINKETON CANNY. It promotes expectoration, relieves hoarseness, and positively without fail cures the wildest cough, if curable, when used in connection with the Cough Pills, which all who purchase 1 ounce or more of the Candy, are gratuitously entitled to. This candy has been in successful use for 14 years, and in no case whatever, where a cure could be possibly effected, has it failed. It will not cure Consumption, but it will cure Croup, Croup, Hoarseness, and all the common pulmonary affections. It not only contains a strong decoction of Horehound, Bonset, Bolisbat, and various other herbs, but the best Cough Balsam that can be possibly used, such as is daily prescribed by our first Physicians, in pulmonary complaints. All those who have tried other Cough Candies without success, are invited to use this, and the most incredulous will be satisfied that it is all it pretends to be. Sole agent in Newport.

Bogle's Hyperion Fluid, Or Vegetable Hair Composition.

THE subscriber has been induced to bring this article before the public, at the request of his numerous customers, among whom are physicians and citizens of the first respectability, who have adopted its use in their families, and wish others to participate in its advantages.

The Hyperion is composed of vegetable ingredients, the secret of compounding and blending which is known solely to the subscriber. It is an article in which a cleansing and purifying wash is beautifully blended with a most delicate, silky and glossy moisture never before attained, yet free of animal grease or essential oils. It clears the pores of the skin, causes a healthy action in the blood vessels, nerves, &c., which feed the hair, thereby preventing BALDNESS AND GREY HAIR.

It entirely frees the skin from Scurf, Dandruff, and other cutaneous diseases, disposes the hair to curl, and changes the furthest hair into the most soft, glossy, and healthy state, also imparts to it a darker color, and the free use of it, both on the skin and hair, in a most healthy and luxuriant state until the latest period of life.

Ladies will find the Hyperion a great addition to the toilet, both on account of its delicate and agreeable perfume, and the great facilities it affords in dressing the hair, which, when moist with the fluid, can be dressed in any required form, so as to preserve its place, whether plain or in curls.—When used on children's heads, it lays the foundation of a good head of hair.

TO THE AFFLICTED.
DR. BANNING'S PATENT LACE!
An immediate Relief to Incipient Consumption, the Bronchitis of Public Speakers, Palpitation of the heart, Dyspepsia, Spinal Weakness, Piles, Protrusion, and Diseases of Women, without Medicines.

THIS instrument has been examined by Drs. Mott, Rodgers, Francis, and Griseon, of New York, the faculty of Pittsburgh, Hartford, New Haven and Middletown, and has obtained for itself their favorable testimony. The following will show what kind of testimony might be produced in many cases:

Middletown, June, 25th, 1843.

Dr. Boardman,
 Sir—In answer to your inquiry respecting my case, I will merely say, that I have been sick since I strained my breast and loins in May, 1836, from that time continued to grow worse, when in the fall of '39, I abandoned business, and have not done any thing since. I suppose from all I could learn about my case—frequently raising blood, coughing very hard and expectorating profusely, deriving no benefit from my physicians, and all medicines recommended to me, that my case was hopeless. Last winter my brother told me he had heard a good account of Dr. Banning's Lace in such cases, and was anxious that I should try it; accordingly I procured one from you, and since I began to wear it, my breathing, which was very short and laborious, has become easy and natural; the pain and fluttering or palpitation of the heart has subsided; cough and expectoration greatly lessened, my limbs which were exceedingly painful have become useful, so that I can walk comfortably. I am able to shave myself with comfort, which for many years I have not been able to do. The piles, which have troubled me for nine years, are nearly eradicated. I work some in the garden, and am able to ride 4 miles at once with pleasure and benefit.
 Yours, &c. **WM. BANNER**
 Dr. G. M. Boardman,

Middletown, June 25, 1843.

Dr. Boardman,
 Dear Sir—In answer to your inquiries respecting the effect of Dr. Banning's Lace in the case of my wife, I will state that for twenty years past, she has been afflicted with a complication of complaints to which females are subject. She has tried all the physicians and all the medicines recommended for such complaints, without regard to expense, and found only temporary relief. Her most distressing complaints, palpitation of the heart, oppression and a sense of great weight at the pit of the stomach, protrusion of the womb, &c., were relieved after wearing the lace two hours, and she has continued to improve daily. With this view of the case I cannot use language strong enough to convey my approval of the instrument.
 aug. 29th. **STEPHEN BROOKS, JR.**
 Providence, Feb. 26, 1846.

Doctor Boardman—Dear Sir—I now take my pen to inform you that my wife's health has improved very fast for the last two weeks from wearing one of your Laces. She has been out of health about two years and has worn a different Supporter from yours, which had only two pads. She received some benefit from that—but it would not produce a cure. But now I can say with pleasure that she is as smart as any of the young girls in the neighborhood. She can now run up and down stairs as fast as I can, and I feel so well pleased with it that I hardly know how or what to write. But one thing I do now, that she has been under the care of seven Doctors in one year—and wearing your Lace two weeks has or will do the cure in a very short time. I want to write more, but I have no time. I am truly, your friend and well wisher,
 J. S. *

PEACH, Rose, and Orange Flower Water, in large or small quantities, at **R. J. TAYLOR'S.** June 30.

From the Brooklyn Daily Advertiser.
—A BEAUTIFUL YOUNG LADY residing in W. street in this city, has received great and unexpected benefit from the use of that excellent specific **RADWAY'S CHINESE MEDICATED SOAP.** Some few weeks since she was on a visit to some of her relatives in South New Jersey, where she was very severely bitten by mosquitoes, being at the same time very much exposed to the scorching rays of the Sun, she experienced great pain, and irritation from the effects of the mosquito, and much annoyance from the unnatural darkness of her tanned complexion. We recommended her to use that excellent Medicated Compound, **RADWAY'S CHINESE MEDICATED SOAP**, she complied with our request, and in three days there was not a single spot, blemish, pimple or blotch left upon her skin, and her complexion is now as fair as the Lily.

Ladies, secure without delay a cake of this estimable Soap, it will purify your skin, improve your complexion and remove all disfigurements entirely from the surface of your system. Price 12-12 cents per cake. Sold in Newport by **R. J. TAYLOR, Agent.** Aug 7

It is now about ten years since this medicine has been introduced to the public, and it stands unrivaled in its effects, bearing the test of the severe scrutiny of all classes, both friendly and unfriendly. It is not for one purpose;—for the use of Mothers who have to pass through a sea of affliction in giving birth to mankind, not to be described. It is to you we make an appeal. It is for your especial and general good that you should make use of one bottle of the **MOTHER'S RELIEF** before confinement. Then you can approach the parturient chamber without feeling as if you were going to the chamber of death. You may rest assured it will still all forlorn and nervous affection. It soothes and allays from irritation and by its peculiar properties it destroys the cause of hemorrhage or inflammation that so often attend and follow the hour of parturition. It causes sweet and natural rest, and at last facilitates the birth, so that Mothers have not to pass through such excruciating pain and distress. The Mother's Relief may be depended upon in all cases of threatening abortion where it is possible to be prevented in cases of Spasms, &c., causing frequent alarm, from two to three doses will give immediate relief. As the subject is one that cannot with propriety be fully discussed in this public manner, we invite all who feel interested to call on our agents (most of the respectable Druggists in the United States,) or on the manufacturer, and they will be furnished with a pamphlet in which they will find all the facts to form a correct opinion of its merits, and also the opinions of many physicians of eminence, and of persons who have become acquainted with its beneficial effects.

CAUTION TO PURCHASERS.—Ask for **HARTNELL'S Mother's Relief.** None is genuine unless our signatures are found within the wreath of the direction that is pasted on the bottle, signed with our own hand, and over the neck of the bottle is a facsimile of our own hand writing also. By attending to the above directions, no one need be imposed upon. All orders will be promptly attended to. **DR. G. A. BARTHOLIC,** Office on the corner of Fitzhugh street, opposite the Co. Clerk's office, Rochester, N. Y. For sale in Newport by **R. J. TAYLOR, sole Agent.** sept 17

LORRAINE'S PILLS.
All persons require Pills.
DR. LORRAINE'S CURATIVE SYSTEM OF MEDICINE is rapidly producing achievements never before known in the cure of diseases. The immensity of its wonderful results, alone demonstrate that its principles must be founded on truth. The relative proportion of Cures by this Medicine is out of all proportion greater, than by any other Medicine known.

THE THEORY is, that one blood beats in the bosom, and flows through the body of every man, and must be pure, it is the Vital Principle that sustains life.

Physicians, and people of every class are willing to come forward and announce, in the most public manner that they have been cured of long standing complaints—after another medicines had failed. In fact there can be no doubt but that Lorraine's vegetable Pill is the best medicine ever offered to the public.

See a few public statements of men of truth and virtue.

Lyons, Dec. 17th, 1843
 Sir: I have sold all the pills I last had of you, please send another lot immediately. The sale of Lorraine's vegetable Pills is rapidly on the increase, they are becoming very popular. I sell more and more every day. As a curative medicines and purifier of the blood. I think they stand unrivaled. One fact I have noticed, that no one that has used them finds any fault with them; they have wrought some very great cures. One lady, who has been confined to the house and bed, a great part of the time, for twenty years, is now cured and able to work most of her time, after having taken 3 boxes only of Lorraine's Pills! I might name many other cases where the cures have been as great, but have not time.
 Yours respectfully,
J. E. P. MARSH.

Portland, Me., Nov. 7th, 1843.

Sir: Please send us one gross of Lorraine's Pills, we have sold all we had last. They have given very good satisfaction, better than any other pills which we have in our market. I think in a short time they will take the place of others. We have had no fault found with them whatever; but, on the contrary, they have been praised for it. I think we could have quite a number of highly respectable certificates from our citizens.
 Yours respectfully,
E. MASON.

Chel'sa, Jan. 3d, 1844.

Sir: I transmit to you an account of my case for publication, believing it to be my duty. I have been confined with the Rheumatism nearly the whole winter, have had some of the best physicians of Boston and could get nothing that would relieve me more than temporarily. I heard of the wonderful virtue of Lorraine's Pills; I had no faith whatever, but I took them, and it is a solemn fact that when I had taken but eight pills my Rheumatism had entirely left me, and I have remained well ever since.

N. B. I never took more than one pill at a time and that on going to bed.

Yours respectfully,
W. M. HALSTAD.
OPINION OF A SKILFUL PHYSICIAN.
 Sir, the operation of Lorraine's Pills is just any philosophy to find out, how so small a Pill can produce such wonderful effects. I find that one of them will operate more than 3 or 4 of any other Pill, yet in their operation, mild, gentle and comforting. On this account, they are more than 100 per cent, cheaper, as physic, than any other Medicine I know of.

These Pills are now acknowledged by thousands who take them daily, to be the only medicine that fairly takes the Banner from all others. This extraordinary medicine has actually done wonders within one year past. They cause no pain or uneasiness of any kind in their operation, and require neither change of diet or care of any kind.

The attention of the reader is respectfully called to the important results from the use of these Pills. It will be seen, however great achievements have heretofore been made by the use of this invaluable medicine, still greater and more remarkable cures daily happen.
